# Acme Global Solutions

Internal Policies & Asset Allocation Matrix

**Document ID:** SYS-TEST-8492
**Effective Date:** Q4 2026
**Classification:** Internal Use Only

## 1. HUMAN RESOURCES GENERAL POLICIES

The following workplace policies apply to all full-time and part-time employees stationed at the primary Acme headquarters or operating under the remote-hybrid framework.

- **Working Hours & Core Availability:** Standard business hours are 9:00 AM to 5:00 PM (Local Time). All employees are expected to be available for collaborative meetings during "core hours" from 10:00 AM to 3:00 PM.
- **Hybrid Work Model:** Eligible employees are required to be present in the office a minimum of two (2) days per week. Office days are scheduled at the departmental level to ensure adequate seating and resource availability.
- **Paid Time Off (PTO):** Full-time employees accrue 20 days of paid time off per calendar year, alongside 8 standard public holidays. A maximum of 5 unused PTO days may be carried over into the following year.
- **Onboarding Equipment:** New hires will receive their complete IT hardware packages at least 3 business days prior to their official start date.

## 2. DEFINED JOB ROLES & CATEGORIZATIONS

System provisioning, facility access, and hardware allocations are determined by an employee's designated job role tier.

### Software Engineer (L2/L3)

**Dept:** Product & Engineering
Requires high-compute capabilities for local compilation, containerization, and backend infrastructure testing.

### Data Analyst

**Dept:** Business Intelligence
Requires memory-intensive machines for processing large local datasets, visualization tools, and statistical modeling.

### HR/Talent Manager

**Dept:** Human Resources
Requires standard productivity software, secure video conferencing capabilities, and strict local storage encryption.

### System Administrator

**Dept:** IT & Operations
Requires multi-OS environments, network diagnostic tools, and elevated local administration rights.

## 3. IT ASSET & LAPTOP ALLOCATION RULES

Acme Global Solutions maintains a strict hardware lifecycle policy to ensure system security, employee productivity, and cost efficiency. Asset provisioning is governed by the rules outlined below.

- **Refresh Cycle:** Corporate laptops are on a strict 36-month refresh cycle. Employees will be notified 30 days prior to their asset expiration date to initiate the swap procedure.
- **Mobile Device Management (MDM):** All corporate-issued devices MUST have the Acme secure MDM profile installed prior to user distribution. Removal of the MDM profile is a violation of the Acceptable Use Policy.
- **Peripheral Allowance:** Standard remote-hybrid workers are allocated a $500 budget for home-office peripherals (monitors, keyboards, docking stations) upon hire.
- **Lost or Stolen Devices:** Must be reported to the IT Helpdesk within 12 hours to initiate immediate remote wipe protocols.

**Note on "Bring Your Own Device" (BYOD):** BYOD is strictly prohibited for accessing production databases, proprietary source code, or internal HR systems. BYOD may only be used for web-based email and calendar access.

## 4. HARDWARE REQUIREMENTS MATRIX

Below is the dummy data matrix detailing the specific hardware configurations allocated to distinct organizational roles.

| JOB ROLE | ALLOCATION TIER | APPROVED PROCESSOR (CPU) | MEMORY (RAM) | INTERNAL STORAGE |
|---|---|---|---|---|
| Software Engineer | Performance-T1 | Apple M3 Pro / Intel Core i7 | 32 GB Unified | 1 TB NVMe SSD |
| Data Analyst | Performance-T2 | Apple M3 / Intel Core i7 | 32 GB Unified | 512 GB NVMe SSD |
| System Administrator | Specialist-Ops | Intel Core i7 (vPro enabled) | 16 GB DDR5 | 1 TB NVMe SSD |
| HR/Talent Manager | Standard | Apple M2 / Intel Core i5 | 16 GB Unified | 256 GB SSD |
| Customer Support Rep | Standard-Thin | Intel Core i3 / AMD Ryzen 3 | 8 GB DDR4 | 256 GB SSD |
